

CWA GI 275 *Sweeten the Deal* Special

Garmin's Dual GI 275 Bundle Promotion is coming to an end very soon.

Coastal Winds Avionics is sweetening an already great deal by offering you your choice of adding Synthetic Vision or an installed GSB 15 if you place your order for dual GI 275s by **June 18th**.

You can schedule your installation for a future date, but orders must be placed by the June 18, 2021 expiration of Garmin's promotion.

Choose One:

Option 1: Add Synthetic Vision to your GI 275, normally a \$995 upgrade:

Without Synthetic Vision

With Synthetic Vision

Option 2: Garmin GSB 15, up to \$600 installed. Allows power for portable devices and a port for GI 275 software and NAV database installation. Choose from 3 available configurations:

USB Type-A and Type-C
27 watts/port

Dual USB Type-A
18 watts/port

Dual USB Type-C
27 watts/port
